

NORTENE®

FENCY WICK

Synthetic screen

Inspired by natural products, this synthetic privacy screen echoes traditional wicker screens; plus color and durability! Its color can be coordinated with your garden furniture.

Benefits

A replacement screen with natural products. A beautiful wicker design, mixed colors (dark brown to light beige tones). Look at the stems similar to natural ones. Hollow synthetic stems making them lightweight and easy to install. Woven iron wire guaranteeing good rigidity. Integrates perfectly with the environment and is resistant to harsh climates. Long life, maintenance-free, with UV protection.

Characteristics

Blocks 90 % of visibility.
PP and PE plastic mix.
Hollow strand diam 0,6 cm.
Stem to stem weave with a galvanized steel 0.5 mm thread.
Guaranteed 3 years.
